REASON FOR THIS AWARD

Drew is a natural connector and leader. As he began his term as President of the Temple Beth Shalom's Men's Club, Drew had big plans; including our club's first overnight trip to Cooperstown. Like many other leaders, Drew had to adapt his grand plans due to COVID. This did not deter him from finding opportunities for the men of TBS to continue to gather, both in-person and online.

Drew planned a corn hole tournament; one of the synagogue's first outdoor events. Our Men's Club members were extremely appreciative of the opportunity to get together in person at a time when we were all feeling so isolated and zoomed out. The outdoor activities continued including our signature Steak & Scotch & Seder Summit events. Drew remained committed to providing social, educational, and spiritual services for the men of TBS throughout his term regardless of the challenges presented by COVID.

Since the conclusion of his presidency, Drew has remained an active Immediate Past President, participating regularly in monthly Executive Committee meetings and events.
