WORK HONORS/ACCOMPLISHMENTS:

- Passed the CPA Exam and spent almost 50 years in Corporate Accounting Specializing in manufacturing. Worked for multi-national Public Companies as well as small privately held organizations
- Adjunct Professor at Community College of Philadelphia, teaching various Accounting and Economics Courses since 1976

HOBBIES/INTERESTS

- Today my main interest are grand children. I enjoy attending their activities and each year we plant a vegetable garden and enjoy its bounty

Continued on next page

- During the last 2 years of dealing with the Covid Variance maintaining any outside interests has been difficult. I have tried to remain active with the Ohev Shalom Men's Club and the FJMC by attending all of the virtual sessions that I can

MEN'S CLUB OFFICES YOU HAVE HELD; PROGRAMS/COMMITTEES CHAIRED

- I started out my Men's Club sojourn as a tomato and cucumber slicer at our Sunday program breakfast. That has sadly been put on hold with COVID
- I was "promoted" to Treasurer (I think they thought I could count), and after that was President for two years

FAVORITE MEN'S CLUB PROGRAMS

- I did enjoy attending our international convention in Toronto a few years ago and last years "virtual" gathering
- But my favorite programs have been our club's Sunday breakfasts with speakers
- Our club also leads Sunday minyan and we had a tradition of meeting for breakfast prior when in an hour we could solve all of the world's problems

WHAT MEN'S CLUB MEANS TO ME

I really enjoy the friendships I have made over the years through Men's Club.

REASON FOR THIS AWARD

Marty and his wife Roz have been active members of Ohev Shalom of Bucks County since joining in 1988. Marty became active in the Men's Club when he started going to our Men's Club led Sunday morning minyan. He enjoyed the comradery of having breakfast with friends followed by the participatory service. This led to his volunteering to assist with our Men's Club breakfast programs. Starting with just prepping cucumbers and tomatoes led Marty to become active in various other programs and then to him being on our Executive Board. He became treasurer which eventually led to his being elected our President for two years. Marty's wife Roz enjoyed being the first lady of Men's Club! Marty continues to be an active member of our Executive Board, seldom misses a program, and thoroughly enjoys the friendships he has developed and maintained over the years.

He is a valued contributor, advisor and is treasured by all.
