WHAT MEN'S CLUB MEANS TO ME

A stronger soul, and a stronger future for the Jewish People.

REASON FOR THIS AWARD

Rabbi Krupnick has been our Rabbi for 25 years. From the beginning, he has been someone to admire for his devotion to our congregation. Rabbi goes above and beyond for the congregation whether it be his involvement with our youngest congregants in our Early Childhood Center to our most senior congregants.

He has always been a supporter of all the arms in our synagogue, but has been especially so for our Men's Club. Through his inspirational sermons, he has inspired some of our most successful programs. Because of his ongoing support, we feel privileged to work with Rabbi Krupnick.

We feel honored to have had his guidance for 25 years and look forward to his ongoing support even as he retires at the end of this year.
