SUMMER CAMP EXPERIENCE/ACCOMPLISHMENTS

Counselor of the Year, 2022, JCC Camps at Medford

REASON FOR THIS AWARD

It is my honor to nominate Kyle Lehrfeld as Congregation Beth El's Mar Man of the Year award. In Judaism there is a phrase called "going beyond the letter of the law" which I believe Kyle clearly demonstrates through his actions. Kyle consistently goes beyond the call of duty. After Kyle's Bar Mitzvah Kyle chose to continue his Jewish education student in our Hebrew High School program. After Confirmation, Kyle decided to continue his Jewish education by enrolling in the Beth El Junior College, a program for 11th and 12th grade students who meet twice a month to prepare them for their college years.

In addition to Hebrew High School, Kyle gave back to the community by volunteering as a teacher's assistant in our fourth grade class and in the school office. Kyle volunteers every year in our High Holy Day youth program as well. Kyle is a born leader. He is an active participant and leader in BBYO and USY.

Kyle is kind, respectful, and is a wonderful role model for our students. I can list all of Kyle's extra-curricular activities and organizations that he volunteers for, but what I believe is most important to highlight is Kyle's character.

Kyle is a wonderful human being who cares about expanding his knowledge and helping others do the same. Kyle is most deserving of this prestigious award. Mazal Tov!
