FAVORITE MEN'S CLUB PROGRAMS

- Steak and Scotch in the Sukkah - Besides having the opportunity to taste some great Scotch bottles, it is just a great event that brings out more of our members than others for great camaraderie, great food, and a great discussion with our Rabbi

WHAT MEN'S CLUB MEANS TO ME

The Men's Club is about our camaraderie and working together for the good of the congregation while being able to let our hair down a little.

REASON FOR THIS AWARD

Marc has been a significant force for our Men's Club efforts while a member of our community. As our club President, he has kept us together during these extraordinary times with our ongoing programs during these extraordinary times and continued to inject new ideas for our Men's Club.
