WHAT DO YOU DO now that you've named your Man of the Year, announced to the congregation, and notified MAR?

WHO IS THAT MASKED MAN?

TELL US ABOUT YOUR CLUB'S SUPER HERO

REASON FOR THE AWARD FORM for the CLUB PRESIDENT (or a club representative):
www.marfjmc.org/moty_reason_for_award.html

Why did you select your Honoree? Tell us about the guy:
 Why is he so special? How does he make your club wonderful
 and what does he do to support your community?

HONOREE INFO FORM for your HONOREE :

www.marfjmc.org/moty_honoree_info_form.html

The Honoree Info Form is for your Honoree to fill out his contact, family and club info; activities he likes; roles within your club and what Men's Club means to him. He may also add any professional or academic accomplishments, community service, hobbies, special skills and other personal interests. He should include only information relevant to this honor. It's an opportunity to brag, therefore, the bio should be similar to a concert or theater program bio, not a job application.

The form includes a spot for your honoree to upload a headshot (head & shoulders). We suggest a close-up photo of your honoree wearing a jacket & tie. There should be little or no shadow on his face. A plain white or light background would be great too.

WHY WE NEED THIS INFO ASAP (and no later than October 18th)

Your honoree's info must be on the registration page when we "go live" on Oct. 27th. Plus MAR will make a promotional flyer you can email or snail mail to your members & your Honoree's friends and family. We'll post your man's headshot, bio and the reasons your club selected him on our website: www.marfjmc.org.

We'll produce a large poster with your Honoree's headshot and info to display in the auditorium. We'll also extract key points from the bio for his introduction when he receives his award at the podium.

These forms are opportunities for your honoree, his family and fellow club members to "toot their horn" about their him and why he is such a fine representative as Man of the Year.
